

BTS Graduate Student Workshop October 18, 2022

IEEE Broadcast Technology Society's Education Committee is hosting the 1st annual virtual BTS Graduate Workshop October 18, 2022

We invite Graduate Student members to have the opportunity to present and highlight their work progress

This workshop is a unique opportunity to share your ongoing work, receive feedback and network with other student members and their supervisors.

Each student will be allotted 15 minutes to present the work.

Participation is open for BTS graduate student members and graduate students whose tutor is a BTS member and supports the submission. This workshop is free of charge for BTS members.

All accepted presentations will be featured as a special article in one of the upcoming issues of the IEEE Broadcast Technology Newsletter.

Presenters will receive a certificate of participation.

Graduate students interested in participating must submit an abstract of at least 200 words.

Abstracts will be reviewed, and decisions made by the BTS Education Committee.
